

**Directions to KEEP IN TOUCH
Business Training Center from I-84
30 Lafayette Sq, Ste 118, Vernon CT 06066
860.871.6500 (GPS doesn't show details)**

Take I-84 Exit 67. Head north on Route 31, past McDonald's and Burger King. Go 1/2-mile to traffic light at the junction of Routes 31 and 30. Mobil and Shell gas stations are at the corner.

Turn RIGHT onto Route 30 East. Go past the Shell station, and you'll see a commercial complex on the right called "30 Lafayette Square." (You'll see a Dunkin' Donuts in a single-story building.) Turn right into this commercial complex.

We're in the two-story red brick building behind the Dunkin' Donuts, up on the 2nd floor, facing the rear of the building.

The front parking lot is for customers visiting the retail outlets on the first floor.

Please CAREFULLY drive around the left side of the two-story building and park in the rear lot. The rear lot is for employees and visitors to the office suites on the 2nd floor. Even though we're in "Suite 118," we're on the 2nd floor. (That's just the way they numbered the suites when the building was built.)

Once parked in the rear lot, take the center door to the elevator. Go to the second floor, walk past the rest rooms, and you'll come to the middle of a long hallway. Turn left and KEEP IN TOUCH is the 4th (last) door on the left across the hallway from the dance studio.

We look forward to your visit!
